

UNIVERSITY OF SOUTH FLORIDA HOSTS ENGINEERING EXPO

TAMPA, Florida – February 1, 2015. The University of South Florida's Engineering EXPO seeks to educate K-12 students on the importance of science, technology, engineering, and math (STEM) within their lives. **The Engineering EXPO is a two-day, free, open house event where all ages are welcome** to come to the University of South Florida in Tampa to enjoy interactive, educational shows and hands-on exhibits.

This is a unique opportunity to meet and talk with Tampa Bay's local engineers and engineering student organizations at USF. The EXPO will showcase the College of Engineering, USF academic departments, research labs from across campus, student organizations, and exhibits from local engineering firms.

The EXPO will take place **February 13-14, 2015**. For more information, visit <http://expo.eng.usf.edu/>.
