

G3 ENGINEERING DESIGN IS PARTICIPATING IN THE DAVID POSNACK SENIOR INTERNSHIP PROGRAM.

DAVIE, Florida – September 11, 2014. G3 Engineering Design is now participating in the David Posnack Senior Internship Program. Two students from the David Posnack high school in Davie, FL are now part of the G3 Engineering Design mentoring program. They are interested in careers in engineering, and G3 is introducing them to a professional engineering environment as part of their graduation requirements.
